CAUSE

Mr. Urbanski violated conditions of supervised release by consuming alcohol on or about February 17, 2007. The Court may recall, a violation report was submitted on February 23, 2007, outlining the violations which occurred under supervision. It was recommended that Mr. Urbanski report to Spokane Detox immediately and continue to reside there until a bed became available for inpatient treatment. Mr. Urbanski commenced inpatient treatment on March 1, 2007. His anticipated release date is May 30, 2007. At this time, he does not have a release plan which includes a place to live. Consequently, it is recommended Mr. Urbanski resume participation at the Bannum Place upon release from treatment.

Mr. Urbanski has signed a waiver of hearing agreeing to reside at a residential reentry center for a period of up to 120 days, as directed by the supervising probation officer. It is respectfully recommended that the Court adopt the waiver of hearing to modify conditions as outlined above.
